

Support North House

With more than 6,000 visitors expected to attend the three-day Wooden Boat Show and Summer Solstice, this event has become one of the biggest attractions the North Shore has ever seen. And admission is free.

But, of course, it costs a great deal to set up and run such a large production. And that's where you can help. Consider purchasing a North House membership for \$25. This special event pass allows free admission to special events, presentations and workshops.

The Boats-to-Tools Auction offers a wide variety of outdoor, tool and craft-based items to bid on. The silent auction starts at 10 a.m. and the live auction at 3 p.m. on Saturday. Every purchase helps defray expenses. And every purchase is a keepsake and—in some cases—a useful tool to help you refine your dreams of building and or maintaining a wooden boat.
